### **Honorary Treasurer's Report 2026**

Last year, in addition to participated in major international competitions, MS also participate in various tournament organised by the Greater Bay Area and the Chinese Hockey Association. Furthermore, we reformed the format of the premier league, transforming it into a tournament format, which achieved the desired results and received positive feedback. Next year, we will continue to actively promote development and integration with the Greater Bay Area and Mainland China, and continue to participate in competitions across all age groups and senior categories.

MS effectively controlled all expenditures over the past year. The MS achieved a surplus of HK\$86,136.82 in the 2025-2026 fiscal year, maintaining a stable financial position.

As of March 31, 2026, MS in a good financial condition with net assets of HK\$4,600,617.57.
